

# Walk Away

Kelly Clarkson

You've got your mother and your brother  
Every other undercover  
Tellin' you what to say  
You think I'm stupid  
But the truth is  
That it's cupid, baby  
Lovin' you has made me this way  
So before you point your finger  
Get your hands off of my trigger  
Oh yeah

You need to know this situation's getting old  
And now the more you talk  
The less I can say, oh[Chorus]  
I'm looking for attention  
Not another question  
Should you stay or should you go?  
Well, if you don't have the answer  
Why you still standin' here?  
Hey, hey, hey, hey  
Just walk away  
Just walk away

Just walk away I waited here for you  
Like a kid waiting after school  
So tell me how come you never showed?  
I gave you everything  
And never asked for anything  
And look at me  
I'm all alone

So, before you start defendin'  
Baby, stop all your pretendin'  
I know you know I know  
So what's the point in being slow?  
Let's get the show on the road today  
Hey[Chorus] I want to love  
I want a fire  
To feel the burn  
My desires  
I want to man by my side  
Not a boy who runs and hides

Are you gonna fight for me?  
Die for me?  
Live and breathe for me?  
Do you care for me?  
'Cause if you don't, then just leave I'm looking for attention  
Not another question  
Should you stay or should you go?  
Well, if you don't have the answer  
Why you still standin' here?  
Hey, hey, hey, hey  
Just walk away If you don't have the answer  
Walk away  
Just walk away  
Then just leave  
Yeah, yeah  
Walk away  
Walk away  
Walk away
