

Take A Chance

Scouting For Girls

Take a chance before it's gone
Throw me a rope or string me along
I'm nothing without you
This man is nothing without you
I know it's been a difficult year
It's been all I can do just to keep you near
I want you to know
You're the star of my show
I'll sing these songs about you
It wouldn't be the same without you
I know you try to hide, I know you try to act tough
But take a chance on us
Take a chance on us, put your arm 'round love
And let it pull you up, tonight
Take a chance on us, I won't give us up
Take a chance on us tonight
I always thought that we could make it through
If you gave me the chance I always knew
I don't care what they say
You were mine all the way
And though it seems like it's pouring again
You don't get flowers without no rain
Look what we've done

Look how far we have come
Well, I'll sing these songs about you
It wouldn't be the same without you
I know you try to hide, I know you try to act tough
But take a chance on us
Take a chance on us, throw your arm 'round love
And let it pull you up tonight
Take a chance on us but I won't give us up
Take a chance on us tonight
Take a chance on us, throw your arm 'round love
And let it pull you up tonight
I know that times are tough, I know we ain't got much
But I can't give us up, tonight, tonight, tonight, tonight
Take a chance on us, throw your arm 'round love
And let it pull you up tonight

Take a chance on us, I know we ain't got much
But I won't give us up, tonight, tonight, tonight, tonight
Take a chance on us, throw your arm 'round love
And let it pull you up tonight
Take a chance on us, I know we ain't got much
But I won't give us up, tonight
