

Rockstar (feat. Deni Gauthier)

Rose Cora Perry

V1: Well, I donâ€™t wanna be a rockstar
'Cause I donâ€™t want my payoffs in cocaine
Donâ€™t want my music sold and branded
Like Iâ€™m nothing more than an image and name

V2: How 'bout them popstars? (Fuck that!)
Who shake their ass and tits for fame
Donâ€™t wanna sell my soul for dollars (Not worth it)
Then find out that Iâ€™m the first to blame

Prechorus: When my songs arenâ€™t catchy
If I gain a little weight
If Iâ€™m tired from the touring
When I think I need a break
If I sing off key
Or I have a bad week
If I think I need some counselling
Cause I really might freak

Chorus: But they donâ€™t really care how hard I try
And they donâ€™t really care if Iâ€™m out there getting high
As long as my music is there out for sale
Well they donâ€™t really care if I just posted bail
So much for the rockstar

V3: No, you donâ€™t hear about the red tape (The bureaucratic b.s!)
Always the overnight success
Theyâ€™re all supposed rich and famous (Not true!)
Breaking through without any blood or sweat

V4: Oh what a nice dream (More like a lie!)
Too bad itâ€™s only just a line
That the labels and press keep feeding (Brainwashing!)
To take advantage of the indie kind

Bridge: Welcome to the jungle, it's all fun and games
We got everything you want, but we'll make you pay in: "Sex, drugs, rock'n'roll. Alright let's go."
Welcome to the jungle, it gets worse here everyday
you learn to live like an animal and the currency you'll pay is: "Sex, drugs, rock'n'roll. Alright let's go."
Welcome to the jungle, welcome to the jungle, welcome to the jungle, it'll bring you down to your knees.

Gonna come down. Let's go go go!

V5: Iâ€™TMll not your rockstar
But Iâ€™TMm still not your girl next door
I will still fight for what I believe in
Even when they try to keep me outside the door

Finale Chorus: â€˜Cause I donâ€™TMt really care how hard they try
Iâ€™TMll never be the tabloid case thatâ€™TMs always getting high
As long as Iâ€™TMve got something left for them to hear
They will have to listen to me scream right in their ears
(Overlay: I love rock'n'roll, put enough dime in the jukebox baby)
So much for the rockstar
