

The Right Stuff (feat. Mickey Gilley)

[Charly McClain](#)

Honey, you're amazing, the way you always look so good
Darlin', you always know what to say to put me in the right mood
Whenever a little touch turns into a kiss
Baby, how can it get any better than this? When it comes to love, ooh baby, we've got the right stuff
Every beat of our hearts poundin' with the rhythm of the right stuff
Honey your love is heaven, darlin' hold me tight
We're goin' out of this world tonight
When it comes to love, ooh baby, we've got the right stuff Honey, I bought you some flowers for our anniversary
Darlin', I remember the night when you first walked up to me
And baby we knew with just one look
That the title page would write the whole book When it comes to love, ooh baby, we've got the right stuff
Every beat of our hearts poundin' with the rhythm of the right stuff
Honey your love is heaven, darlin', hold me tight
We're goin' out of this world tonight
When it comes to love, ooh baby, we've got the right stuff We've got the right stuff, baby
I'm your man and I'm your lady When it comes to love, ooh baby, we've got the right stuff
Every beat of our hearts poundin' with the rhythm of the right stuff
Honey your love is heaven, darlin', hold me tight
We're goin' out of this world tonight
When it comes to love, ooh baby, we've got the right stuff
