Warren G

Good evening, morning, afternoon, wherever, whosenever,  
Whatsenever, we wouldn't give a damn.  
We want to welcome you back into the house  
Of g-funk.  
Hmm? that's right.  
Since we last left ya, we had went international.  
And one thing we noticed about everywhere we went,  
It's a whole lotta folk funkkin',  
And don't know what the funk they funkkin' wit.  
Huh?  
Look out there now. we came to bring it.
