

# Feel Free

## Toots & The Maytals

Make you feel free  
Make you feel freeSomething hidden inside  
That really should come outside  
So let's talk about what's hidden inside  
That really should come outsideIt will make you feel free  
It will make you feel freeSomeone is inside  
But really wants to come outside  
Just to talk about what's hidden inside  
That really should come outsideIt will make you feel free  
It will make you feel freeSomething is on your mind  
That's keeping you so confined  
So let's talk about what's on your mind  
That really should come outsideIt will make you feel free, yeah  
Free at last  
Hear the children sing, yeahMake you feel free, yeah, free  
It will make you feel freeSomething is on your mind  
That's keeping you so confined  
So let's talk about what's on your mind  
That really should come outsideIt will make you feel free  
Make you feel free  
Free as a bird up in a tree  
Free at last, free, free, free, at last, yeahSometimes you let me feel like I'm not real  
I want to say I'm free at last  
When I was out, you didn't take me inWhen I was hungry, you gave me no food  
Though I was thirsty, you gave me no water  
Should feel free from all misery
