Black Kiss

Marc Almond

Black kiss
Kiss deep
Inside
Your sleep
Dark love
You crave
Black kiss
I gaveBlack kiss
Inspire
Cold heart
On fire
Black kiss
Red rose
Where no
One goesBeautiful evil
Beautiful evil
Why do you hurt me?
Why do I let you?
I need your blood now
But you're not giving
Without your blood how
Can I keep living?Black kiss
From above
Soft mouth
Hard love
Sweet kiss
So true
Black kiss
That I gave youBeautiful evil
Beautiful evil
Why do you hurt me?
Why do I let you?
I need your blood now
But you're not giving
Without your blood how
Can I keep living?Black kiss
Kiss deep
Inside
Your sleep

Black kiss
Barb wire
Cold heart
On fireBeautiful evil
Beautiful evil
Why do you hurt me?
Why do I let you?
I need your blood now
But you're not giving
Without your blood how
Can I keep living?There in my mind
Clear and defined
Deep in my heart
Where do I start
Blood on your lips
Passionate bliss
Don't want to miss
Your black kissBeautiful evil
Beautiful evil
Why do you hurt me?
Why do I let you?
I need your blood now
But you're not giving
Without your blood how
Can I keep living?
Can I keep living?
Can I keep living?
Can I keep living?
