If you never saw me coming
Would you recognize me now
If you never saw me now
Would you be coming back again
If you never saw me coming
Would you take a second bow
Would you maybe find a better way
To introduce yourself as my friend24/7/365
24/7/365
24/7/365If you never saw me coming
Would you ever think at all
If you never saw me now
Would you be looking back again
If you never saw me coming
Would you maybe blow me off
Would analyze and fantasize
And end up in a world of pretend24/7/365
24/7/365
24/7/365Isn't it a pity that you
Got the better part of me
Isn't it a pity that you'll never know
Isn't it a pity that you
Tore into the heart of me
Not a very pretty way to goIf you never saw me coming
Would you recognize me now
If you never saw me now
Would you be coming back again
If you never saw me coming
Would you take a second bow
Would you maybe find a better way
To introduce yourself as my friend24/7/365
24/7/365
24/7/365Be there
