

# Down by the Lake

McFly

Well you better get home cos your dad is awake  
Said he saw you last night making out by the lake  
With a boy that he hates  
He doesnt look at me the same way that you do  
Said i look pretty cute but i dont got the grades  
Seen the star on my foot and the way i behave  
We're better off when daddys outta town[Chorus]  
O baby you got nothing to prove  
But if we decide to go doesnt mean he's gotta know  
O baby you got nothing to loose  
And we're better off when daddy's not aroundDoesnt give his consent  
so now we can't afford  
The perfect wedding you want gotta do it abroad  
In a place you adore so  
i got us on a plane to Hawaii  
Where the weather is nice  
And where we are alone  
None of daddy's advice  
Followed us here from home  
It'll be chilled out when daddys not around[Chorus]I can't be around him and i've tried  
I told him once i liked him but i lied  
Find some way to make him change his mind  
What can i do to be with you[Chorus]
