Goddess

Banks

She gave it all, you gave her shit
She coulda done, just anything
Or anyone, 'cause she's a goddess
You never got this
You put her down, you liked her hopeless
To walk around, feeling unnoticed
You shoulda crowned her, 'cause she's a goddess
You never got thisNow you gotta deal with this glitch on your shoulder
Fucking with the goddess and you get a little colder
It's colder, colder
Fucking with the goddess, and you get a little colderFinally surfaced above doubts
Feeling about this, you came around
'Cause she's a goddess, finally saw this
And now you're back, trying to claim her
'Cause she's gone and now without her
You all alone, 'cause she's a goddess
You shoulda saw thisNow you gotta deal with this glitch on your shoulder
Fucking with the goddess and you get a little colder
It's colder, colder
Fucking with the goddess, and you get a little colderNow you gotta deal with this glitch on your shoulder
Fucking with the goddess and you get a little colder
It's colder, colder
Fucking with the goddess, and you get a little colderNow you gotta deal with this glitch on your shoulder
You fucking with the goddess and you get a little colder
You're colder, colder (you're colder, colder)
You fucking with the goddess, and you get a little colder
