Man With The Harmonica

Sputniks

Oh my time is up,
I know you're gonna burn me,
Your judgement's coiled just like a snake around my neckOh my time is up,
I know you're gonna hang me,
And the noose is pulled so tight,
That it's hard for me to breathe,Sing me the song of death,
Sing me the song of death,
Sing me the song,Oh my time is up,
My destiny is certain,
Your curse floats above me like the melody I hear,Oh my time is up,
And Hells gates are bolted,
But now I'm not even sure if they want me down in Hell,Sing me the song of death,
Sing me the song of death,
Sing me the song of death,
Sing me the song of death,
Sing me the song,Grant me one last request,
Sing me the song, of death,Sing me the song of death,
Sing me the song of death,
Sing me the song sing me the song,
Sing me the song sing me the song,
Of death.
