## Killah Priest

[movie sample](are you trying to tell me that you will fight against me? )Oh you will win that too..  
For if you fail to silence me, you know what I will do..(what will you do physician? )I will go among the people,  
And try to answer the questions that burn in their hearts  
The questions that I've asked myself, for all my life  
Wherever I've wandered in the world, and which were answered for me  
By a dying man, I will wear the clothes of a slave  
And kick the sandals from my feet, and speak to the wives  
As they fry their fish before their mudhuts by the river  
To the porters on the docks, to the smiths by their belows  
To the slaves under the yolks, and I will say...
