

You're My Everything

Slaughter

Travelin' down life's empty highway
I kept lookin' for a miracle there you were lookin' at me
Used to be, used to be, used to be so discouraged
And then suddenly I realized you are my destiny[Chorus]
But now I know whatever happens come what may
Now the sun is shining brighter
It's gettin' better everyday[Chorus 2]
Every night when the sun goes down
All I want is to be around you
With every single beat of my heart
You're my everything I cannot believe all the empty hearted
I see the people in their everyday world
With you here by my side
Even though it gets real hard
We'll find a way to reach the stars
In life and in love forever we'll always be[Chorus][Chorus 2] You're my everything and everything is you
No one can deny this love deep inside
Forever and always I'll be true
You're my everything[Chorus 2]
