

# With Eyes Wide Shut

[blessthefall](#)

I know I'm not there to hold you  
Look and see the sky that eye do  
You make me the happiest of men  
I am the happiest of men

And if god takes me before you  
I just want you to know I love you  
And you make me  
The strongest of all men  
I'll remain the happiest of men

(the happiest, the happiest, the happiest of men)

You made me the strongest of all men  
I'll remain the happiest of men

I miss you  
Baby close your eyes  
Lets meet  
In our dremz tonight
