

# Wild One (Remastered)

DIO

You say you've never seen the light before  
Does anyone believe you  
Don't let them hear you say anymore  
Nothing's really safe around here We are an imitation of the crown  
We never turn the pages  
They cannot let your spirit touch the ground  
And nothing's gonna change around here, no Crack in the ceiling  
Hole in the wall  
They bend you over  
But you won't crawl away You've got two in the bushes  
One in the hand  
They'd make you over  
But they can't understand you  
You're always gonna be the wild one Pretend that all you really feel is pain  
Just hide behind some sorrow  
How sad  
But you'd do it all again  
(I guess that) Nobody changes 'round here Cat in the cradle  
Man in the moon  
They'd make you over  
But it's too soon to know, no Smoke in the kitchen  
Fire in the hall  
The train is coming  
And you can hear it calling  
You're always gonna be the wild one Crack in the ceiling  
Hole in the wall  
They bend you over  
But you won't crawl away You've got two in the bushes  
One in the hand  
They'd make you over  
But they can't understand you  
You're always gonna be the Wild One
