Nemo (Orchestral Version)

Nightwish

This is me for forever
One of the lost ones
The one without a name
Without an honest heart as compassThis is me for forever
One without a name
These lines the last endeavor
To find the missing lifelineOh how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everythingMy flower, withered between
The pages two and three
The once and forever bloom gone with my sinsWalk the dark path
Sleep with angels
Call the past for help
Touch me with your love
And reveal to me my true nameOh how I wish
For soothing rain
All I wish is to dream again
My loving heart
Lost in the dark
For hope I'd give my everything
Oh how I wish
For soothing rain
Oh how I wish to dream again
Once and for all
And all for once
Nemo my name forevermoreNemo sailing home
Nemo letting goOh, how I wishName for evermore
