

# Guide Us Home (From "Marriage Counselor")

## Bad Actress

You're Up Late In Your Empty Home  
You're Surrounded But You're All Alone  
Every Night, You Lie Awake In Bed  
Thinkin' Of What You Should've Done Instead  
Put Your Faith In Your Heart  
Let It Lead You From The Start  
You Will Always Find Your Way  
Now If We Could Only Let Love...  
Let Love Guide Us Home  
Let Love Guide Us... We Were Young When We Found Love  
Didn't Know What The World Was Made Of  
When The Lights Went Out, We Were All Alone  
Forced To Figure Out Life On Our Own  
Put Your Faith In Your Heart  
Let It Lead You From The Start  
You Will Always Find Your Way  
Now If We Could Only Let Love...  
Let Love Guide Us Home  
Let Love Guide Us...
