Diamonds for Gold

Toothgrinder

Magnificent bones
save us from the cold
It's the lessons from the old
it's the carbon trade for gold
it's the depth of all our haze
it's a parasitic trace
and it digs
and it digs
and it digs
and it digs
till the diamond has been sold for gold
has been sold for gold
Do as I do
Play me like a fool
beautiful and cruel
when you
Do as I do
deadbeat heartbreak
Catatonic tones
will free us from the guilty throne
The cries from all the moans
It's the blood from those left alone
(Left alone, forgotten)
It's the break from all the bones
the screams from all the ruthless blows
and it digs
and it digs
and it digs
and it digs
till the diamond has been sold for gold
Do as I do
Play me like a fool
beautiful and cruel
when you
Do as I do
deadbeat heartbreak
Do as I do
Dirty little girl
wanting the whole world

Do as I do
Deadbeat heartbreak
(Catatonic tones, diamonds sold for gold)
And it digs and it digs...
Tarnish the crystal
lackluster and soiled
a sedative for fear
A post traumatic congregation
to the embody the blood that was left from their thrones
Do as I do
Play me like a fool
beautiful and cruel
when you
Do as I do
deadbeat heartbreak
Do as I do
Dirty little girl
wanting the whole world
Do as I do
Heartbreak fuck face
