

Scream (Live In The LBC)

Avenged Sevenfold

Caught up in this madness too blind to see
Woke animal feelings in me
Took over my sense and I lost control
I'll taste your blood tonight You know I make you wanna scream
You know I make you wanna run from me baby
But know it's too late you've wasted all your time Relax while you're closing your eyes to me
So warm as I'm setting you free
With your arms by your side there's no struggling
Pleasure's all mine this time You know I make you wanna scream
You know I make you wanna run from me baby
But know it's too late you've wasted all your time Cherishing, those feelings pleasuring
Cover me, unwanted clemency
Scream till there's silence
Scream while there's life left, vanishing
Scream from the pleasure unmask your desire
Perishing We've all had a time where we've lost control
We've all had our time to grow
I'm hoping I'm wrong but I know I'm right
I'll hunt again one night You know I make you wanna scream
You know I make you wanna run from me baby
But know it's too late you've wasted all your time Cherishing, those feelings pleasuring
Cover me, unwanted clemency
Scream till there's silence
Scream while there's life left, vanishing
Scream from the pleasure unmask your desire
Perishing Some live repressing their instinctive feelings
Protest the way we're built don't point the blame on me Scream, scream, scream the way you would
If I ravaged your body
Scream, scream, scream the way you would
If I ravaged your mind Cherishing, those feelings pleasuring
Cover me, unwanted clemency
Scream till there's silence
Scream while there's life left, vanishing
Scream from the pleasure unmask your desire
Perishing
