

# From East To West

## Enigma

Here I am lord and I'm drowning, in your sea of forgetfulness  
The chains of yesterday surround me, I yearn for peace and rest  
I don't want to end up where you found me  
And it echoes in my mind  
Keeps me awake tonight  
I know you've cast my sin as far as the east is from the west  
And I stand before you now as though I've never sinned  
But today I feel like I'm just one mistake away  
From you leaving me this way Jesus can you show me just how far the east is from the west  
'cause I can't bear to see the man I've been  
Rising up in me again  
In the arms of your mercy I find rest  
'cause you know just how far the east is from the west  
From one scarred hand to the other I start the day, the war begins  
Endless reminding of my sin  
And time and time again  
Your truth is drowned out by the storm I'm in  
Today I feel like I'm just one mistake away  
From you leaving me this way I know you've washed me white  
Turn my darkness into life  
I need your peace to get me through  
To get me through this night  
I can't live by what I feel  
About the truth your word reveals  
I'm not holding on to you  
But you're holding on to me  
You're holding on to me
