

# King of Glory

Anthony Trimble

Verse 1:

We are here, Lord we seek your face  
You are wonderful, so wonderful  
Meet us here, fill this holy place  
You are powerful, so powerful

Chorus:

King of glory, let your glory shine  
We lift our hearts to you  
King of glory, open up our eyes  
As we draw near, let the praises rise  
Let the praises rise

Bridge 3:

Holy, you are holy  
Holy, you are holy  
Holy, let the praises rise
