Need Me

She Craves

Please, please tell me why I always seem to find myself in compromising situations like
There was a time I woke up on your floor my head was pounding and I couldnâ€™t find the door

Hear my kicking, screaming
Telling you Iâ€™m bleeding
Begging you to need me
Scratching at your ceiling
Tired and sick of feeling
Begging you to need me

Yeah Iâ€™d like to think that in another time and place I would not have been so inclined to show my face
But I had no choice, so I left you there in spite of all the consciousness that told me not to go

Running, kicking, screaming
Telling you Iâ€™m bleeding
Begging you to need me
Woke up on the ceiling
Tired and sick of feeling
Begging you to need me

Running around
Facing my own truth
Hoping that youâ€™re coming soon to rescue me
Hitting the ground
Now Iâ€™m lost on my own street
Wondering why Iâ€™m pleading for you desperately

Hear my kicking, screaming
Telling you Iâ€™m bleeding
Begging you, begging you, begging you
Scratching at your ceiling
Tired and sick of feeling
Begging you to need me
Please need me
Please need me
