

# An Heir to Emptiness

## Daylight Dies

Devoid of life  
There is no light  
Pursued by grief  
Relentless  
UndauntedLoss of self  
Into soullessness  
Slipping away  
To nothingnessWill to live  
Cast aside  
A hope  
I cannot recognizeLoss of self  
Into soullessness  
Slipping away  
To nothingnessHaunted by sorrow  
And perpetual death  
Pursued by grief  
Through this dominion of ruin  
My kingdom of emptinessEmptiness
