

# Satellites

## Doves

I want you to know this  
My anger's all but done  
Sweet Lord, I swear I've seen the darkness  
Sweet Lord, I swear I've seen some pain  
Satellites ahead  
So hold on  
?Satellites?, I said  
So come on  
Here comes a strange cargo  
Here comes a light that leaves out of here  
Sweet Lord, all I've known is badness  
Sweet Lord and all I've known is pain  
Satellites ahead  
So hold on  
?Satellites?, I said  
So come on

For seven nights I slept  
Hold on  
The satellites ahead  
So come on  
I want you to notice  
My anger's all but done  
And all I've known is madness  
Satellites ahead  
So hold on  
For seven nights I slept  
So come on  
So hold on  
So come on  
So hold on  
So come on
