

The Dark Night Of The Soul (piano demo)

The Get Up Kids

Never thought anything lasts forever
Hanging on every word
Hold the cards in tight
But your killing me with sincerity
And I'd make any move tonight Redemption is a bitch
Too end on The dark night of the soul
The dark night of the soul All my training beget a traitor
A monster with a mind of it's own
The beast is poised to strike
The bastard plays on these insecurities
Takes all my will to fight Redemption is a bitch
Too end on The dark night of the soul
The dark night of the soul
Oh well, You know what they say
Suddenly everything's
Suddenly everything's real The dark night of the soul
The dark night of the soul
(Oh well, You know what they say
Suddenly everything's
Suddenly everything's real)
The dark night of the soul
The dark night of the soul
(The bastard plays on these insecurities
Takes all my will fight)
The dark night of the soul
The dark night of the soul
(Oh well, You know what they say
Suddenly everything's
Suddenly everything's real)
The dark night of the soul
The dark night of the soul
