

All About Her

New Found Glory

Let me practice this before I say it to you
I know it might come out wrong but I want it to
Another chance to fight
Another way to make it right So forget all of your chances
It's up to you to follow through
Forget the way she was
'Cause it's the things she does that make me sing about her
She knows I care about her
She said, "Be gentle boy
You show a lack of character, oh yeah" Let me work this out before I come back to you
I know you sometimes hate the stupid things I do
Another lonely night
Another way to make it right So forget all of your chances
It's up to you to follow through
Forget the way she was
'Cause it's the things she does that make me sing about her
She knows I care about her
She said, "Be gentle boy
You show a lack of character" There is no other way
This girl is so all about me
I'm sorry I can't help the way
'Cause it's the things she does that make me sing about her
She knows I care about her
She said, "Be gentle boy
You show a lack of character" That's why I sing about her
She knows I care about her
She said, "Be gentle boy
You show a lack of character, oh yeah"
