Crush

Glee Cast

I see ya blowin' me a kiss It doesn't take a scientist To understand what's going on baby If you see something in my eye Let's not over analyze Don't go too deep with it baby So let it be what it'll be Don't make a fuss and get crazy over you and me Here's what I'll do I'll play loose Run like we have a date with destiny It's just a little crush (crush) Not like I faint every time we touch It's just some little thing (crush) Not like everything I do depends on you Sha-la-la, Sha-la-la-la It's raising my adrenaline You're banging on a heart of tin Please don't make too much of it baby You say the word "forevermore" That's not what I'm looking for All I can commit to is "maybe" So let it be what it'll be

Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll pay loose
Run like we have a date with destiny
It's just a little crush (crush)
Not like I faint every time we touch
It's just some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, Sha-la-la-la
Vanilla skies (vanilla skies)
White picket fences in your eyes
A vision of you and me
It's just a little crush (crush)
Not like I faint every time we touch
It's just some little thing (crush)

Not like everything I do depends on you
Sha-la-la-la
Not like I faint every time we touch
It's just some little thing
Not like everything I do depends on you
Sha-la-la-la
Not like I faint every time we touch
It's just some little thing
Not like everything I do
Depends on you
