

Gloria

Dale Earnhardt Jr. Jr.

I don't know
Where you go
And sitting there all alone
Staring out the window like you're waiting for somebody else
I was a fool to be afraid
Of love
I was a fool to be ashamed
Of love
My love
Of love, love
I don't fear
Anything
I'm as fake as a pop-up idea
Certain as almost as empty and fleeting
I was a fool to be afraid
Of love
I was a fool to be ashamed
Of love
My love
Of love, love
I was a fool to be afraid
Of love
I was a fool to be ashamed
Of love
I don't try
Anymore
I'm as cold as your old Uncle Joe
Got drunk to the party shit talking everyone
I was fool to be afraid
Of love
I was a fool to be ashamed
Of love
My love
