Face 2 Face

Silk Rhodes

There's so much to do
So much going on tonight
There's so much to do
So much going on tonightYou're gonna change your clothes tonight
People say that you are just a faceI can't wait to go out tonight
We remain in our clouds, silver hazeThere's so much to do
So much going on tonightThere's so much to do
So much going on tonightThere's so much to do
So much going on tonight
There's so much to do
So much going on tonight
