

Breathe (Wang Lei Remix)

[Lenny Kravitz](#)

Im so into you
Dont know what to do
I feel that cupids hit me with an arrow
I know this is true
Cause all I see is you
If you're my queen
Then I will be your pharaoh (pronounced farrow)I thirst in you love
I cant get enough
I just wanna hear you breathe
You burn in the blood
Im drownin in the flood
I just wanna hear you breathe
I just, I just, I just, I just, I just, I just, I just, I just, I just
Wanna hear you breathe
I just, I just, I just, I just, I just, I just, I just, I just, I just
Wanna hear you breatheOur souls have aligned
To me you were designed
You are my charm
And no one else can take it
If youre so inclined
Ill keep your love enshrined
Inside my heart where no one else can break itI thirst in you love
I cant get enough
I just wanna hear you breathe
You burn in the blood
Im drownin in the flood
I just wanna hear you breathe
I just, I just, I just, I just, I just, I just, I just, I just, I just
Wanna hear you breathe
I just, I just, I just, I just, I just, I just, I just, I just, I just
Wanna hear you breathe
