

Me Against You

Lloyd Banks

[Chorus Lloyd Banks]

G-Unit makes the crowd get live! So, fill your A game rushing competition let the best man win.Cause it's me
against you.

Toe to toe blow for blow I can guarentee you gon' loseWe make the crowd get live! So, fill your A game
rushing competition let the best man win.Cause it's me against you.

Toe to toe blow for blow I can guarentee you gon' lose[Verse 1 Young Buck]

Watch out I got my two strings tied.

I'm wicked inside.

You should see me when I'm flyin', from the free throw line.

We ain't on the playground, see there's rules to this game.

Shake it with the cross-over then I move through the lane.

You lookin at the clock, Ma I'm lookin for the rock.

Ain't no player who can stop this killer jump shot.

And I still got hops, so go and get me props.

If you bring it in here, I bet you can't make the shot.[Chorus Lloyd Banks]

G-Unit makes the crowd get live! So, fill your A game rushing competition let the best man win.Cause it's me
against you.

Toe to toe blow for blow I can guarentee you gon' loseWe make the crowd get live! So, fill your A game
rushing competition let the best man win.Cause it's me against you.

Toe to toe blow for blow I can guarentee you gon' lose[Verse 2 Young Buck]

Ain't no player who can stop this killer jump shot.

And I still got hops, so go and get me props.

If you bring it in here, I bet you can't make the shot.[Chorus X2 Lloyd Banks]

G-Unit makes the crowd get live! So, fill your A game rushing competition let the best man win.Cause it's me
against you.

Toe to toe blow for blow I can guarentee you gon' loseWe make the crowd get live! So, fill your A game
