

# You're My Fantasy

Robin Thicke

Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours  
Touch me you're my fantasy Oh baby I got a feeling  
We ain't never gonna be friends  
Oh baby I got a feeling tonight  
Oh baby I got a feeling  
We were lovers in a previous life  
Oh baby I got a feeling  
Tonight  
Please please please please  
Please please please please Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours  
Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours  
Touch me you're my fantasy I don't know how you do it  
Working the way you are  
Trying to be a mother, earning lady, and a star  
I will always day dream  
Wishing that you were mine  
I understand that now you need some space and time  
I can smell your perfume  
Your legs on my walls  
Your body's on my ceiling  
You eagle down the hall  
I remember when I was the only one you called  
Everything is changed  
Everything is changed

Please please please please  
Please please please Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours  
Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours Let it go  
Eyes down low  
You're my fantasy  
Here we go  
The angels know  
You're my fantasy  
Let it go  
Eyes down low  
You're my fantasy  
Here we go  
Only you are my fantasy Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours  
Touch me you're my fantasy  
My body is yours  
My heart is yours  
Touch me you're my fantasy  
My body is yours  
My love is yours Can't get too much of you baby  
I'll never make it without your love  
Can't enough of you baby  
I'll never make it without your love  
Can't get too much of you baby  
I'll never make it without your love  
Can't enough of you baby  
I'll never make it without your love Please please please please  
Please please please please
