

My Madrigal

[Patti Smith](#)

We waltzed beneath motionless skies
All heaven's glory turned in your eyes
We expressed such sweet vows Oh, till death do us part
Oh, till death do us part
Oh oh We waltzed beneath God's point of view
Knowing no ending to our rendezvous
We expressed such sweet vows Oh, till death do us part
Oh, till death do us part
Oh oh Oh, till death do us part
Oh, till death do us part
Oh oh We waltzed beneath motionless skies
All heaven's glory turned in your eyes
You pledged me your heart Till death do us part
You pledged me your heart
Till death do us part
Till death do us part
