Cassidy

To my supa fly girls, all around the world
Shake ya ass in the club, make it twist and twirl
Ya so beautiful 1, 2, 1, 2, 1, 2, 1, 2, 1, 2
(Full surface)
1, 2, 1, 2, 1, 2, 1, 2, 1, 2
(Cassidy)
1, 2, 1, 2, 1, 2, 1, 2, 1, 2 mic check
(Jazze, fezzay, leezay)
1, 2, 1, 2, 1, 2, 1, 2, 1, 2
(Swiss beats) To my supa fly girls, all around the world
Shake ya ass in the club, make it twist and twirl
Ya so beautiful
(Girl ya so beautiful!)
And ya shinin'
(Shinin' like lipstick!) To my guys in the club, if ya know ya fly
Put some cash in the air, wave it side to side
Ya so beautiful
(Boy ya know ya doin' it)
And ya shinin'
(Shinin' like chrome rims!) I'm shinin', doin' it big
I spend more time in the club, then I do in my crib
The kid is a ladies man, but I get called, "Shady"
'Cause I'm a lot of ladies man And I can't be committed to none, I hit it and run
With my hand glitter, and I get it and come
I floss on a chick, put the frost on her wrist
My diamond's shinin' like the gloss on her lips This Frankie B, thanks to me
When we get to the bar, all drinks is free
I own the party, 'cause I chrome the Ferrari Maranello
In this canary yellow To my supa fly girls, all around the world
Shake ya ass in the club, make it twist and twirl
Ya so beautiful
(Girl ya so beautiful!)
And ya shinin'
(Shinin' like lipstick!) To my guys in the club, if ya know ya fly
Put some cash in the air, wave it side to side
Ya so beautiful
(Boy ya know ya doin' it)
And ya shinin'+
(Shinin' like chrome rims!) To all my chicks that's strippin', makin' the cash

That's beautiful, keep on shakin' ya ass
Even though you get naked, and you takin' it off
You be rakin' in the cake, when they be breakin' you off punks! Now where are all my girls in school?
You will lose in this world if ya girl a fool
You need brain in ya life, some change in ya life
Some cognac and champagne in ya life Or you might need a workin' lady
You go girl, twist and twirl, twerk it baby, ladies!
We all gonna shine tonight
Get blind and have a good time tonight, tonight To my supa fly girls, all around the world
Shake ya ass in the club, make it twist and twirl
Ya so beautiful
(Girl ya so beautiful!)
And ya shinin'
(Shinin' like lipstick!) To my guys in the club, if ya know ya fly
Put some cash in the air, wave it side to side
Ya so beautiful
(Boy ya know ya doin' it)
And ya shinin'
(Shinin' like chrome rims!) It's full surface, better notice the name
You can't help but to notice the chain, ching, ching
In my fist, it bling, I just gave a chick cold sore
When she kissed the ring, sing I got girls all around the world
Dog, I'll hit, I'll get around ya girl
Don't take it personal though
'Cause I'll look good, and I'm good person to know So pop ya bottles, pop ya E's
And I got the dutches, got the trees
The kid, get his jig on bumpin' and grindin'
Then I hit the hotel, with a slut and a condom To my supa fly girls, all around the world
Shake ya ass in the club, make it twist and twirl
Ya so beautiful
(Girl ya so beautiful!)
And ya shinin'
(Shinin' like lipstick!) To my guys in the club, if ya know ya fly
Put some cash in the air, wave it side to side
Ya so beautiful
(Boy ya know ya doin' it)
And ya shinin'
(Shinin' like chrome rims!)
