

# Melting Pot

## Blue Mink

Take a pinch of white man  
Wrap him up in black skin  
Add a touch of blue blood  
And a little bitty bit of red Indian boy  
    Oh like a Curly Latin kinkies  
Oh Lordy, Lordy, mixed with yellow Chinkees, yeah  
    You know you lump it all together  
    And you got a recipe for a get along scene  
        Oh what a beautiful dream  
If it could only come true, you know, you knowWhat we need is a great big melting pot  
    Big enough enough enough to take  
The world and all its got And keep it stirring for a hundred years or more  
    And turn out coffee coloured people by the scoreRabbis and the friars  
        Vishnus and the gurus  
    We got the Beatles or the Sun God  
Well it really doesn't matter what religion you choose  
    And be thankful little Mrs. Graceful  
    You know that livin' could be tasteful  
    We should all get together in a lovin machine  
        I think I'll call up the queen  
It's only fair that she knows, you know, you knowWhat we need is a great big melting pot  
    Big enough enough enough to take  
The world and all its got And keep it stirring for a hundred years or more  
    And turn out coffee coloured people by the score
