

God Is Moving

Planetshakers

holy spirit touch your people
teach us the ways of god
as we live as jesus did
you are in awe and lifted up there's a stirring in the spirit
there an urgency in this sound
we as children must obey
can u hear the footsteps of god god is moving god is moving
can you hear the sound of revival
god is moving god is moving
can you hear the sound of revival
(as we praise you lord)
as we praise you as we sing
you're drawn into our soul god
as we cry out for this nation
pour out revival in this land there's a stirring in the spirit
there an urgency in this sound
we as children must obey
can u hear the footsteps of god
god is moving god is moving
can you hear the sound of revival
god is moving god is moving
can you hear the sound of revival
