Never

Ultimatum

What's it worth, what is the cost, sell myself, integrity lost.
Keeping up with the trends, changing styles, it never ends.
I was this but now I am that.
Never me, deny my past.
Selling out to the crowds,circle goes around and around to sellout, SELLOUT
In the Land of Never (2x)
Looking back on what was, then apologize to you my friend.
Look at me, I'm the focus.
Integrity is not for us.
Sell more units to please the suits.
Fill their pockets, forget the Truth.
No matter what be on the charts.
What's it worth and what is the cost to sellout,
SELLOUT
In the Land of Never (2x)
For a price go to the top, SELLOUT
In the Land of Never, Never
Solo 1-Steve
Solo 2-Robert
What's it worth - what is the cost
Sell myself, integrity lost.
Keeping up with the trends, changing styles, it never ends.
I was this but now I am that.
Never me, deny my past.
Selling out to the crowds, circle goes around and around to
sellout, SELLOUT.
In the Land of Never (2x)
For a price go to the top, SELLOUT
In the Land of Never, NEVER!
