

Hey Little Angel

Eric Serra

Whats you name, angel?
Mathilda...I've got no place to go
Leon, I've got no place
Leon, I've got no place to goSuch a loneliness in this place
All the raid are out, looking for, a kid that's not to far a (night)
What is loving with no heart to guide
What is living with no hope insideSmile, don't move, how's that
Hey little angel
Smile, don't move, how's that
You won't feel no more pain
Smile, don't move, how's that
(So got it) going on cause
Don't move, how's thatWe've found a reason, a good reason to stick togetherI need this LeonHave been dying
in this weird space
No more running child
Nothing but the sad existence
Were you just talking when the words are lies
Were you just crying when my tears are drySmile, don't move, how's that
Hey little angel
Smile, don't move, how's that
No more fear, no more pain
Smile, don't move, how's that
(So got it) going on cause
Don't move, how's thatWe've found a reason, a good reason to stick togetherHey baby, been really great with
me ,baby
What you need, I need time to get, time to get,
Cool baby, hey baby, been really great with me,
Baby, what you need, I need time to get, time to get,
Right baby, so, it's exactly what you needSmile, don't move, how's that
(So got it) going on cause
Got it going on good, how's that
We've found a reason, a good reason to stick together
Don't move, how's that
Hey little angel
Smile, don't move, how's that
You won't feel no more pain
Don't move, how's that
(So got it) going on cause
Got it going on good, how's that

We've found a reason, a good reason to stick together
Don't move, how's that
Hey little angel
Smile, don't move, how's that
You won't feel no more pain
Smile, don't move, how's that
(So got it) going on cause
Got it going on good, how's that
We've found a reason, a good reason to stick together
