You're Gonna Stay

Mis-Teeq

So you're coming into my house OK
Tell me if you're gonna stay
If you feel you can resist my ways
Say what you gotta say
Let's get forward, as we cut the chase
Tonight we go all the way
Do you wanna get busy
And You know I'm feeling jiggy
'cause tonight we gonna playNo point in waiting for you to call
Two hours straight no word at all
Time to get down for the physical
Been so long can't wait no more
Don't be shy - we can get it on
So give it up 'cause the night is young
Can't be tripping when I feel this strong, yeah
You can't deny that you dream of me everydayGotta keep it going
So we get hot
Forget about the clock
So we don't stop
You gotta keep it coming
Be a man and make a stand
Lose control
I know you think you're ready
But I think not
So come a little closer
And guess what?
I'm gonna tell you when you hit
The spot
Tonight it's onSo coming into my house it's okay
Tell if you're gonna stay
If you think you miss my way
Say what you gotta say
Let's get forward, let's get on the chase
Tonight we can walk away
To you wanna get busy
You know I'm get jiggy
'cause tonight we gonna playHow's it feel tell me what's the deal
No need for lies gotta keep it real
Took so long why you hesitate

That's why we're hooking up so late
If I didn't bother to step to you
You'd be out first base won't have a clue
I bet you're glad that we be getting it on
I gave you the feeling and I hope that you're here to stayGotta keep it going
So we get hot
Forget about the clock
So we don't stop
You gotta keep I
