

# Luther Ingo's Star Cruiser

## Ash

There's two things I like, really like.  
One's kicking migs, the other's thumping birds. First I'm gonna kill 'em all  
Then I'm gonna fuck you  
Oh baby, I wanna fuck you up the ass I'm gonna gamble  
I'm gonna fuck you  
Oh baby, I wanna fuck you up the ass Oh boy Tonight I'm gonna do your brain  
I'm gonna kill you in  
Oh baby, I wanna fuck you up the ass I'm gonna gamble  
I'm gonna fuck you  
Oh baby, I wanna fuck you up the ass First I'm gonna kill 'em all  
Then I'm gonna fuck you  
Oh baby, I wanna fuck you up the ass I'm gonna gamble  
I'm gonna fuck you  
Oh baby, I wanna fuck you up the ass Oh fuck (laughter to fade)
