Dark Medicine

Ayreon

[Psychiatrist:]
I know why you're here
You're a fellow man of science
Our point of view I very much alike[Father:]
The choice is clear
I don't need to be convinced
Denying him this chance just isn't right[Psychiatrist:]
Give him one a day
That's the safest place to start
At such a tiny dose, the risks are low[Father:]
Keep it between you and me
Oh, they would never understand
Let's both agree that no one needs to know
