

Make Me Smile (Come up and See Me)

Duran Duran

You've done it all, you've broken every code
And pulled the rebel to the floor
You spoilt the game, no matter what you say
For only metal, what a bore! Blue eyes, blue eyes
How come you tell so many lies? Come up and see me, make me smile
Or do what you want, running wild There's nothing left, all gone and run away
Maybe you'll tarry for a while
It's just a test, a game for us to play
Win or lose, it's hard to smile Resist, resist
It's from yourself you have to hide Come up and see me, make me smile
Or do what you want, running wild There ain't no more, you've taken everything
From my belief in Mother Earth
Can you ignore my faith in everything
Cause I know what faith is and what it's worth Away, away
And don't say maybe you'll try To come up and see me, make me smile
Or do what you want, running wild
