Homo Christmas

Pansy Division

You'll probably get sweaters
Underwear and socks
But what you'd really like for Christmas
Is a nice hard cock
You deserve a cute boy
Who's horny and queer
To make the most out
of Christmas cheer
I wanna be your Christmas present
I wanna be your Christmas queer
I wanna be your Christmas present
Have a homo Christmas this year
Don't be miserable
Like Morrissey
Let me do you
Underneath the Christmas tree
We'll push the packages
Out of the way
And after you've unwrapped me
Naked on the floor we'll play
I wanna be your Christmas present
I wanna be your Christmas queer
I wanna be your Christmas present
Have a homo Christmas this year
---(Instrumental)---
Your family won't
give you encouragement
But let me give you
Sexual nourishment
Licking nipples
Licking nuts
Putting candy canes
Up each other's butts
I wanna be your Christmas present
I wanna be your Christmas queer
I wanna be your Christmas present
Have a homo Christmas
I wanna be your Christmas present
I wanna be your Christmas queer

I wanna be your Christmas present
Have a homo Christmas this year
