Love Will Find A Way

Pablo Cruise

Someone, someone's done you wrong

You thought that your love was strong

Now you're feelin' like such a fool

You're thinkin' maybe if you said goodbye

You'll understand the reason why

The love you had felt so cruel, um-hmOh, but it's all right once you get past the pain

You'll learn to find your love again

So keep your heart open

'Cause love will find a waySometimes we all feel a need to change

Our love we have to rearrange

And move on to something new, yes you do

Your dreams feel like they're fallin' apart

You need to find a brand new start

But you're almost afraid to be true to yourselfOh, but it's all right once you get past the pain

You'll learn to find your love again

So keep your heart open

'Cause love will find a way

Love will find a way, love will find a waySo now don't, don't be afraid of yourself

Just move on to something else

And let your love shine through againYes, 'cause it's all right once you get past the pain

You'll learn to find your love again

So keep your heart open

'Cause love will find a wayOh, but it's all right once you get past the pain

You'll learn to find your love again

So keep your heart open

'Cause love will find a way
