Chili Town

Hinds

I am touching without hands because you're deaf and blind
Don't try to reach my mind collecting my fake cards
You're out of town man!I am swimming in the dark 'cause all your friends are sharks
Keep fighting for your truth, amazing feelings juice
You chose the wrong side!All I'm asking is for you to make a move
All that I'm asking for is you to make a moveI am stealing your cigars just 'cause they're closer than mine
You're having too much light, you're missing panties' clime
You're in my hands now!
I am flirting with this guy so you can watch my crime
Saliva mixed with ice, your hat is oversized
You had a long night!All I'm asking is for you to make a move
All that I'm asking for is you to make a moveI am touching without hands because your skin looks shy
Don't try to reach my mind
You're way too big inside
Come back to town man...!
I am flirting with this guy just to pretend I'm fine
Saliva mixed with lies
My laugh is oversized
Forever yours, right?
