

Good Night My Love (pleasant Dreams)

Harry Connick, Jr.

Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me
Before you go
Please remember I need you so
And this love I have for you
Will never go cold
If you should awake in the still of the night
Please have no fear
Just close your eyes then you realize
That my love will watch over you, dear, always
Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me
If you should awake in the still of the night
Please have no fear
Just close your eyes then you realize
That my love will watch over you, dear, always
Goodnight, my love
Pleasant dreams and sleep tight, my love
May tomorrow be sunny and bright
And bring you closer to me
And bring you closer to me
