

Keep Your Head Up

Laurnea

wooh, ehhhh, woooooh.
I've been waiting on the sunset
 Bills on my mindset
I can't deny That they're gettin high
 Higher than my income
 In comes breadcrumbs
I've been trying to survive
 The glow that the sun gives
 Right around sunset
 Helps me realize
 This is just a journey
 Drop your worries
You are gonna turn out fine.
 Oh, you'll turn out fine.
 Fine, oh, you'll turn out fine.
But you gotta keep your head up, oh,
 And you can let your hair down, eh.
 you gotta keep your head up, oh,
 And you can let your hair down, eh.
 I know it's hard, know its hard,
 To remember sometimes,
But you gotta keep your head up, oh,
 And you can let your hair down, eh.
 I've got my hands in my pockets,
 Kickin these rocks.
Its kinda hard to watch this life go by.
 I'm buyin into skeptics,
Skeptics mess with, the confidence in my eyes
 I'm seeing all the angles, starts to get tangled
 I start to compromise
 My life and the purpose.
 Is it all worth it,
 Am I gonna turn out fine?

 Oh, you'll turn out fine.
 Fine, oh, you'll turn out fine.
But you gotta keep your head up, oh,
 And you can let your hair down, eh.
 you gotta keep your head up, oh,

And you can let your hair down, eh.

I know it's hard, know its hard,

To remember sometimes,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

Only rainbows after rain

The sun will always come again.

And its a circle, circling,

Around again, it comes around again.

Only rainbows after rain

The sun will always come again.

And its a circle, circling,

Around again, it comes around,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

you gotta keep your head up, oh,

And you can let your hair down, eh.

I know it's hard, know its hard

To remember sometimes,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down.
