

Guess Who's Back?

Crooked I

where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back
and if you hussle you should fuck with that
where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back
and if you hussle you should fuck with that
where the husslers at
i'm back in my bag now, ah
i was chilling in the cut, but that cut got a scab now
i get so much cash now, i send my girl to the louie store
with 50 grand in her louie bag now
you and your man going half on a half pound
if you not a stand up nigger, sit your ass down
that chick you cuffing i'm fucking i know you mad now
she just licked the dick and you probably kissing her ass now
i'm with jag in the glass top jag now
and you ain't got enough money to catch a cab now
i'm the hussler ask around
i wear so much ice, if it melt
it'd probably make my ass drown
i dropped out the ?but graduated from the school of hard Knox
you a class clown, nobody sound how a cat sound
that's why i had to come back, cause cats is spitting trash now
where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back

and if you hussle you should fuck with that
where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back
and if you hussle you should fuck with that
where the husslers at
i'm back on my bullshit, i'm not a matador
but the bull strip, popping like a bull whip
4 5 with the full clip on the bull whip
and i got my knife, you might get your jugular slit

the bull reach, that's why whores on a bull's dick
i make a whore strip?
i'm trying to buy some more whips
that's why i'm trying to buy more bricks and more pounds of that raw piff
every ball raw? and go bunkers like the born swiss
? better than before shit
the game was missing my presence,
i just caught the whip topless like the bitches imperfections,
i be running the strip reckless
that's why i love that white girl
more than them bitches i'm having sex with
where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back
and if you hussle you should fuck with that
where the husslers, where the husslers at
all the cats that trap where the fuck you at
i've been missing for a minute, put the hussler back
and if you hussle you should fuck with that
where the husslers at.
