

# Digital Girl

## Rihanna ft. Amerie, Mya & Jordan Taylor

Yeah, girl, you so sexy do  
As she just lay at your feet  
I wanna see what's under there  
There now put it in the air  
Yeah, load it on my macbook air  
It's a new form of macking, don't be old fashioned  
Update your passion  
Only reason why I be eye chattin'  
It's when it's time for some action  
I wanna hit it way, way out like John Paxton  
But for now I just gotta watch her practice  
Send her a picture so she see it  
She says, I-I-I can't believe it  
Ohh, she all on me, on me  
Ohh, I think she want me, want me  
I think she showed her homies  
Why? 'Cause all the homies on me  
Ayo, all the digital gonna have to do for now  
But I'ma break it down when I get by your town  
I love it, girl  
The way you bring your light into this room  
I love it, girl  
The way your legs tied up when they're in them shoes, oh  
I love it, girl  
The way your lips looks after you apply the gloss  
I love you, girl, girl  
You look right in the screen and take it off, off  
See I can't wait till I get a little taste of you  
And I just upgraded to 10-80i, hi def just for you  
My digital girl, girl, girl, girl, girl, girl  
She's my digital girl, girl, girl, girl, girl, girl, girl  
She's my digital girl  
My homies never seen  
But I always got you right here for me  
Tucked in my Louis computer bag  
Wherever you are I could be  
  
I'll type you a message for the next send off  
You shoot me a video and then I load

Even though I hate this distance it keeps me persistent  
One day I'll have your ass up in this kitchen  
My digital girl, girl, girl, girl, girl, girl  
She's my digital girl, girl, girl, girl, girl, girl, girl  
My digital girl  
Not a day goes by shawty  
Without you on my mind, shawty  
Hey, don't care what you wear  
Baby, I wanna see what's under there  
When you seen the picture cut off the face  
Now cover up the tattoo by the waist  
Let the MC search till I reach third base  
And when I get home I'ma hit home plate  
Wait, would this be considered our first date?  
Yay, this picture just looks so trash  
Your body make a baller spend cook coked cash  
Plus every good girl wanna go bad  
And poles in the mag like Stacy Dash  
Or Kim Kardashian and be a lady addict  
You know what's a crazy thing?  
A girl would make you wait longer than ac green  
Passion of the Christ, thirty three year old virgin  
That's disrespectful, baby, don't encourage him  
I like them brown yellow Puerto Rican or Persian  
Dashiki kimono or turban  
They say I dress white but my swag so urban  
Tryin' my work, I hear the way the text say  
Baby, you up, question mark  
She was my yes, S S I R  
My digital girl, girl, girl, girl, girl, girl, girl  
My digital girl, girl, girl, girl, girl, girl, girl  
My digital girl, girl, girl, girl, girl, girl, girl  
Girl, girl, girl, girl, girl, girl, girl
