Rescue Me

Teedra Moses

[Verse 1:]This poor heart of mine
Still feel I can find
A love to call my own
I gave him good love
Made him feel like a man
Now I need someone new
And I want someone like you
[Chorus:]He will (Come and) Rescue me
I know one day he'll come for me
He will (Come and) Save me
And i'm waiting and I'm waiting
[Verse 2:]He aint gotta be no gangsta (gangsta)
He aint gotta be no balla (balla)
Cause baby if we strugglin
I'll ride with you till we rise

You for Me and Me for you
A simple kind of love life
I've always dreamed of
[Repeat Chorus][Hook: Repeat 2x]Want someone to come into my life and truly rescue me
From the pain that others selfishly have left with me
I need lovin not any love but good love
Baby if your out there holla back
Ooooooohhhhhoooooo
[Chorus:]He will (he will come and) Rescue me (rescue me)
I know one day he'll come for me
He will (baby I'm waiting, waiting for you) Save me (save me)
[Repeat hook till end]
